MEMBERSHIP DESCRIPTIONS

Membership Types / Fees

Membership fees are based on a calendar year and are reviewed from time to time at the Association's annual general meeting at which all members are welcome to attend. Renewals become due on January 1st of each subsequent year.

FULL (\$30): A full membership is available to owners and part owners of registered boats, or people with a keen and active interest in the 505 class. Privileges are to hold office, to vote and to sail in class championships and any other races sponsored by the class association.

**Beginning in 2022, the Canadian 505 Class Association is waiving fees for full membership for youth aged 25 years or younger.*

ASSOCIATE (\$20): An associate membership is available to part-owners or non-boat owners who are interested in the class and such members may act as skipper or crew in any class race but may not vote or hold office. However, there shall be at least one full member (or family member) for each registered boat. This class of membership is also open to boat owners who are full members of other national class associations.

FAMILY (\$40): A family membership is available to two or more active 505 sailors living at the same address. Privileges are extended for two full members (i.e. to hold office and to vote) and for all other members in the household to sail in class championships and any other races sponsored by the class association.
